

*a year of your life
that will transform
the rest of your life*

There is a **Culture** hidden in the heart of God. It is a culture of supernatural power, meaningful relationships, defined destiny and an overwhelming love for Jesus.

This is the Culture of God's Kingdom. Our mission is to wholeheartedly pursue this Culture, living a **supernatural life-style** where signs, wonders and the **miraculous** are not only accepted, but expected, and to **take that Culture** into mainstream society.

Our goal is to train up an army of Cultural Revolutionaries whose passion is to see His Kingdom come into every area of society. If you are stirred by the challenge to **overturn a culture of apathy**, complacency and self-absorbed living by fueling your own passion for the manifest presence of God, then **Potter's House -School of the Supernatural** is for you.

Join others in spending **a year of your life that will transform the rest of your life!**

a year of **your** life

a daily encounter...

Emphasis will not be on theory, but application and experience of truths taught. While we do have specific content that will be covered throughout the year our emphasis is on transformation through daily encounter and our schedule as to when subjects will be taught, or activities will happen, is always subject to change. We are committed to a journey through the year that will facilitate the following:

- **Every Believer Free** Living a present future life, getting rid of your baggage and packing your luggage for the future. Learning to live on the correct side of the cross.
- **Every Believer Confident** Knowing I am loved, knowing I belong, knowing I am significant.
- **Every Believer A Worshipper** Transformation through worship. Receiving a Brilliant view of God. The priority of worship, intimacy, heaven touching earth.
- **Every Believer A Theologian** Reading scripture from a relational paradigm. A theology of Presence. Reading, meditation, and study for transformation not just information.
- **Every Believer A Full-time Minister** Being naturally supernatural, ministering in the prophetic, healing, and

signs & wonders. Character and gifting, living in a culture of mission.

- **Every Believer A Dreamer** Permission to dream and pursue your destiny.

"This year has been 10 times harder than anything I have ever done, but it has been 50 times more rewarding."

-Elizabeth Joy Walt

"In Potter's House I forged a new trust in God through tears & trials. My year was huge, I made life-long friends. We have prayed, fought & explored together & this group of people will be with me forever!"

-Scotty Thompson

"Before I came to Potter's House I would get just so far in ministry and then I would hit a wall. When I came to Potter's House I found out that the wall was me! The Holy Spirit taught me how to get over myself and ministry has really opened up for me."

-Gary VanBrunt

"Potter's House is dangerously & hazardously good. I have heard that God is good, but this year in PH I have experienced the depths of truth in believing He is intentionally good. This has been dangerous & hazardous to my rusty mindsets. The goodness of the Lord has propelled me into living a life in constant awareness of His goodness, which is dangerous & hazardous to every environment I step into."

-Sandra DeVries

leadership influence & friends

Curt & Susie Klein were senior pastors for ten years before founding and pioneering Potter's House -*School of the Supernatural*. They pour themselves into the first year class while **Keith & Heather Ferrante** oversee the second year class. Second year is a season of intense activation, aggressively and joyfully bring transformation to our community and the nations.
